Dear Plan Member,

The Archdiocese of Vancouver Pension Plan provides financial planning assistance to plan members by contracting Financial Planners who are familiar with the plan details and can help plan members coordinate their employer pension plan assets with their personal assets.

It is the employee's right to consult with any Financial Planner of his/her choice, and there is no requirement to use those Financial Planners contracted by the employer. However, should you require assistance with any aspect of your Archdiocese of Vancouver Employees' Pension Plan assets, the following five planners, in chronological order, are available to you without charge:

If you are employed in the Diocese of Kamloops, you can also use the services of any of the three financial planners. In today's world, technology has allowed us to communicate through various electronic means, so using a Financial Planner's services remotely is almost as effective as a face-to-face meeting.
